TITCHFIELD OFF ROAD CLUB HANTS RULES

The classes we race are 1/10th scale electric off road 2WD, 4WD and SC. The rules for racing can be found on the BRCA website (www.brca.org). For club racing we don't strictly enforce BRCA rules, but abide by them as best we can. As long as no purposeful cheating is apparent you will be able to race. **This is a hobby and we here to have fun!**

As a member of the club you agree to abide by these rules. Failure to do so may result in your membership being revoked.

1. Foul, abusive or threatening behaviour anywhere within the site is not tolerated and you will be asked to leave. Your club membership may also be revoked.
2. You are responsible for your litter, please pick up your rubbish, and leave the site clean and tidy.
3. All drivers must have a BRCA licence.
4. You must check that others are not already using your frequency before switching on your transmitter. On race days this can be done by looking at the heat listing. During practice please ask others already at the track – **DON'T ASSUME YOU ARE THE ONLY PERSON USING YOUR FREQUENCY.**
5. Track use is only permitted on Sunday between 08:00 and 18:00, unless authorised through committee.
6. Club transponders must be returned to race control after each heat.
7. After your race you must go to your designated marshal point. If you race, you must marshal failure to do so will lose your fastest time.
8. Model car driving is potentially dangerous. Drivers must pay particular attention to the presence of marshals. When marshalling you must consider your safety, do not step on to the track without checking it is safe to do so first. Drivers must not be "on the throttle" when marshals are handling the car, as a marshal you do not have to retrieve a car that is being revved violently by a frustrated driver. Safety is paramount.
9. If when driving you either crash or have a problem that results in the car being situated on the track you must shout out to warn other drivers e.g. "dead car on the straight".
10. During qualifying, if a car catches you up they are obviously faster than you, you must move over to allow them to pass. You are only racing against each other during the final. Any persistent bad driving, T-boning etc. may result in disqualification.

THE COMMITTEE TAKES VERY SERIOUSLY ANY BREACH OF THESE RULES
